Boards are made from EPS, epoxy and glass and/or basalt fibres.

Graphic design of the board is limited only by our imagination.

Once you submit your order we will contact you regarding final details, estimated price, outline of the board and sketched graphic.

We will start with process of making the board once a deposit of 200 € will be made. Your order will be finished in 3-5 weeks (not including the delivery time).

Please note that all boards are hand shaped and painted therefore slight deviations may be present. Same applies to floor racks and surf bags.
